

To Do You Procrastinating Bastard:

- Enable/Find Composition button for Deepin.
 - or if not that, add "characters" to startup, maybe with a tray icon?
- Create a re-usable lesson plan template for next year.
 - Title — **Altman Lesson Plan for Music**
 - Date — "Week of" field to the right-top corner
 - **Standards**
 - List all standards?
 - ... *may save time*
 - *will* use more space
 - List only *used* standards?
 - may require more copying and pasting
 - Classroom Procedures?
 - Differentiation — **by skill level, included in standards**
 - Conform to **ADEPT Requirements**
- Check the status of my mortgage.
- Figure out how much money I have for a new laptop this summer.
- Find the Deepin app to manage wi-fi hotspots.
- Set up a Google Drive sync folder.
- Find the css atom uses for markdown preview.
- Install Aleo font.
- Backup Facebook Account
 - Delete Facebook Account
